Company: Investment offer / financing project in 72 hours
Description:
Hello sir madam

I am submitting a financing project to your attention.

My name is Sylvie Chalverat, I am a financial advisor, having worked with a group of Belgian asset managers for more than 20 years at BGFI, which allowed me to know a portfolio of private investors, mainly from countries of Eastern Europe, Canada, Qatar. ...etc ..

These private investors have large amounts of capital and are looking for partners to invest in promising (government) projects with attractive RIs ... Today, these investors have the possibility of investing or financing any private company, as well as any project. promising for any capital (quantity) according to the Business Plan (BP), but via a loan agreement.

Dear Sir / Madam, if our offer interests you, then we await a response from you, so that we can establish in a concrete and transparent manner the essential bases and parameters of this partnership. Interest rate 1.70%.

My private email: Sylvie.chalverat01@gmail.com

Good for you.
